SILVER SPRING, MARYLAND

ORDER NO. 15,523

IN THE MATTER OF:

Served April 15, 2015

Application of Z LIMO WORLDWIDE	)	Case No. AP-2015-063
COACH SERVICES, INC., for a	)	
Certificate of Authority --	)	
Irregular Route Operations	)	

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District. The application is unopposed.

Applicant proposes operating under the trade name, "Z Limo Worldwide". Because applicant's principal place of business is in Fairfax County, Virginia, the application form requires applicant to submit as Attachment B, proof of trade name registration with the Fairfax Circuit Court. Applicant's Attachment B shows that applicant has registered the proposed trade name with the Virginia State Corporation Commission instead of the Fairfax Circuit Court. Accordingly, in the absence of proper proof of trade name registration, the proposed trade name shall not appear on the certificate of authority herein conditionally granted at such time as it is issued.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

In closing, it is noted that the application fee was paid by check drawn on the account of Z VIP Sedan & Limousine Services, Inc., WMATC Carrier No. 1664, as signed by applicant's president/CEO, Faisal Abbasi. Applicant is admonished to keep its WMATC assets, books, finances and operations completely separate from those of Z VIP Sedan & Limousine Services, Inc.<sup>1</sup> Sharing of office space will be allowed, but this should not be construed as permission to share revenue vehicles or operating authority.<sup>2</sup>

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 2727 shall be issued to Z Limo Worldwide Coach Services, Inc., 6267 Franconia Road, #200, Alexandria, VA 22310-2583.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents and present its revenue vehicle(s) for inspection within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; and (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
